professional development. Teachers required more access to coaching and direct guidance on pacing lessons and engaging students; need for instructional coaches as dedicated individuals supporting instructional pacing and engagement, admin needs to support the consistent evaluation of ARC.

Many classrooms usually consist of a combination of students without a disability, students with an Individualized Education Plan, and students with a 504 Plan. In reviewing results from NYS ELA and Math Assessments and district common assessments, many SMS students are performing below grade level. Many unclassified students are still in need of academic instructional support.

Using the Diagnostic Tool for School and District Effectiveness (DTSDE) framework, 62.3% of the teachers stated that they need support when it comes ^
